The Red River Valley Veteran's Concert Band is an all-volunteer, non-profit concert band whose mission is to promote patriotism through music. While patriotic music is included in every performance, the band's music is not limited to marches and anthems. Audiences hear Broadway show tunes, TV theme songs, big band swing, Dixieland, rock and roll, and even Latin music. The band often features vocalists from within the organization. Above all, an entertaining performance is the goal of the band.

The concert is free and the band invites everyone to enjoy an evening of great musical entertainment as we honor our military service men & women! Come out and enjoy a beautiful outdoor evening concert at the Veteran's Hospital!
